Introductory Note

The family of Dr. Padmavathy and Mr. Ramaswamy Raju believes that education is the strongest foundation for building a brighter future for our community.

Many brilliant students aspire to become Chartered Accountants, IAS or IPS officers, or enter other prestigious Group 1 services, yet their dreams are often hindered by financial challenges and lack of guidance.

To change this, the family has created the Dr. Padmavathy & Ramaswamy Raju Endowment – a mission-driven initiative dedicated to identifying, supporting, and nurturing meritorious students with the determination to succeed in these fields.

The Initiative Begin:

- ✓ The programme will start by sponsoring two outstanding students who excelled in their 12th standard examinations to pursue Chartered Accountancy (CA) coaching alongside their B.Com studies.
- ✓ This proposal has been approved by the community committee, which now envisions extending this support to many more deserving students who aspire for CA, IAS, IPS, or other Group 1 services.
- ✓ To sustain and expand this effort, a Donors' Club will be formed, inviting contributions from well-wishers who share the dream of empowering future leaders.

Who Can Apply?

📖 Graduates who wish to take CA, UPSC, or Group 1 coaching alongside their studies.

🎓 Graduates with merit who now want to pursue these coaching programs.
